### **The Cat**

A creature of mystery and grace,

With eyes that gleam like precious stones,

A sleek and agile form that roams,

A gentle touch that soothes the soul.

A master of the hunt, it prowls,

Its instincts sharp, its senses keen,

A playful spirit that belies,

The depths of wisdom it has seen.

### **The Purring Cat**

A symphony of gentle sound,

A rhythmic beat that fills the air,

A purring cat, so calm and found,

Its warmth and love beyond compare.

A balm for weary hearts and minds,  
A soothing balm for troubled souls,  
Its gentle vibrations intertwine,  
And heal the wounds that time has stole.

### **The Independent Cat**

A creature of its own design,  
It walks its path, alone and free,  
A spirit wild, a heart confined,  
A mystery that all can see.  
It comes and goes as it desires,  
Its presence felt, its absence mourned,  
A paradox of love and fire,  
A cat that follows its own accord.
