But Chance is not just a designer for the rich and famous. She also offers a line of affordable bridal gowns for the everyday woman. "I believe that every woman deserves to feel beautiful on her wedding day," she says. "I want to make sure that my gowns are accessible to everyone."

Chance's dedication to her craft is evident in everything she does. She is constantly pushing the boundaries of design, and she is always looking for new ways to make her gowns even more beautiful. "I am never satisfied with the status quo," she says. "I always want to be better than I was yesterday."
