The Text

The Arden Performance Editions of King Lear are based on the authoritative First Folio text, published in 1623. The editors have carefully collated the text, taking into account all of the significant variants from other early editions.

In addition to the main text, the Arden Performance Editions include a number of valuable features for performers. These include:

- A detailed that provides an overview of the play's history, critical reception, and performance history.
- Scene-by-scene analysis that explores the play's structure, characters, and themes.
- Character sketches that provide detailed descriptions of each of the play's characters.
- Notes on the play's language, imagery, and symbolism.
- A glossary of terms that may be unfamiliar to modern readers.

The Editorial Apparatus

The Arden Performance Editions of King Lear also include a number of valuable editorial features. These include:

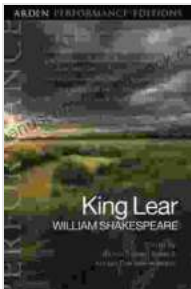

- A textual apparatus that provides a detailed record of all of the textual variants from the early editions.
- A performance history that documents the play's production history from the early modern period to the present day.
- A bibliography that lists all of the significant scholarship on the play.

The Arden Performance Editions of King Lear are an essential resource for anyone who is interested in studying or performing the play. These editions provide a wealth of information that can help performers and directors to create a truly memorable production.

The Arden Performance Editions of King Lear are a valuable resource for any serious student of Shakespeare. The meticulously edited text, detailed analysis, and extensive editorial apparatus make these editions an indispensable tool for performers, directors, and scholars alike.
